

DW LOCKING ACRYLIC DISPLAY PANEL

Our Locking DW Wall Mount acrylic panels are our most popular locking displays! Designed to hold the maximum number of eyewear frames, these locking display panels give you the most for your money. They have polished edges for a high-end look and feel in addition to laser cut holes to support the frame temples and high quality European-made locking eyewear rods to keep your frames secured and safe. These Acrylic Display Panels are available in four Acrylic finishes/colors, Clear (1/4 inch thick), Frosted-ice (1/4 inch thick), Polar-white (1/4 inch thick) and Glass-look (3/8 inch thick).
