

# Locking Optical L-Shelf

Create a captivating display with our unique lockable L-Shelf, designed to securely hold up to 5 eyewear pieces. This innovative shelf allows you to present your collection in a stylish and theft-resistant manner, offering both security and flexibility. Perfect for high-end optical showrooms, the Optical L-Shelf ensures your valuable frames remain safe while standing out beautifully. Easy to install, this horizontal, wall-mounted display combines security with sleek design, making it an essential addition for any luxury retailer looking to showcase small, premium collections with confidence and elegance.
